

*Dear Table Grapes Foundation and Commissioners ,*

*I want to express how beyond grateful I am for the scholarship that your foundation awarded me over my 4 years of college.*

*Your help has made a major impact on my academic career during my time in college.*

*As I look back at my time spent in college, I am beyond grateful for the opportunities and experiences made possible by all of you.*

*The fact that you all believe in me has really motivated me to accomplish my goal. I'm determined to make a difference in the community by applying all of the abilities and information I've gained at Cal State University, Bakersfield.*

*Thank you again for your continuous support and for making such a major difference in my life. Miss Diana Adamaris Robledo now has a bachelor's degree in business administration with a concentration in marketing. Thank you so much for everything!!!!*
